

Black Hawk Down – Trailer transcript

- *You shouldn't have come here. This is a civil war. This is our war, not yours.*
 - *300,000 dead and counting. That's not a war Mr. Atto. That's genocide.*
-

- *These people, they have no food. We either help, or we can sit back and watch a country destroy itself on CNN.*
-

- *I was trained to fight. Are you trained to fight, Sergeant?*
 - *I was trained to make a difference.*
-

- *You're going out today.*
 - *What?*
 - *It's what you wanted, isn't it?*
 - *Oh, yeah. Hell, yeah.*
-

- *Remember, when everyone is shooting, shoot in the same direction.*
-

- *You ever shot at anybody before?*
 - *No, sir.*
 - *Me neither.*
-

- *Once that first bullet goes past your head, politics go right out the window.*
-

- *Hey, baby, it's me. Are you there? Pick up if you're there. I love you, baby.*
-

- *My men are surrounded by thousands of armed Somali militia. I need help now.*
-

- *Where's the rescue squad?*
 - *We're it.*
-

- *It's what you do right now that makes a difference.*
-

- *And people ask me: Why do you do it, man? They won't understand. It's about the men next to you.*
-

- *Hey, don't let that man crawl. Somebody help that man.*
-

- *That's how it is. No one gets left behind, you know that.*
-

- *Nobody asks to be a hero, it just sometimes turns out that way.*
